AUGUST 16, 1999

I AM VERY CONCERNED ABOUT THE INTRODUCTION AND INCREASE OF GENETICALLY ENGINEERED FOODS. A CURRENT ARTICLE IN "NATURAL HEALTH" MAGAZINE (SEPTEMBER 1999.....'FARE WARNING') SUMMARIZES THE NEED FOR CONCERN.

IN A TIME WHERE CANCER AND TOXICITY IS (OR SHOULD BE) OF PARAMOUNT CONCERN, I CANNOT BELIEVE THE FDA WOULD APPROVE THIS AND THEN NOT LABEL FOODS AS SUCH. I WANT FOODS LABELED IF THEY CONTAIN ANY GENETICALLY GROWN FOODS.

I BELIEVE WE ARE BEING SHORTSIGHTED AGAIN. ACTUALLY, MY PERSONAL PREFERENCE WOULD BE NOT TO HAVE ANY GENETICALLY GROWN FOODS AT ALL.

ARE YOU AWARE THAT MANY OTHER COUNTRIES WILL NOT ACCEPT GENETICALLY GROWN FOODS FROM THE USA? ARE YOU AWARE THAT THE FDA DOES NOT HAVE TO LABEL FOODS AS GENETICALLY GROWN? ARE YOU AWARE THAT A GENETICALLY ENGINEERED TOMATO "MAY CONTAIN GENES FROM ONE OR MORE OF THE FOLLOWING: BACTERIA, VIRUSES, INSECTS OR FISH"? (NATURAL HEALTH: PG.91)

PLEASE INVESTIGATE AND PLEASE ASK THE FDA TO LABEL FOODS IF WE MUST HAVE THIS AS A POTENTIAL HEALTH RISK.

I WOULD APPRECIATE YOUR SUPPORT.....AND I WOULD BE HAPPY TO FAX YOU A COPY OF THE MAGAZINE ARTICLE... JUST REQUEST THIS FROM ME.
